

The First State Chapter of the Association of Legal Administrators Announces Their 2008 Officers

The Association of Legal Administrators is a professional organization committed to developing the legal management profession and the professional expertise of its members. It is our mission to:

- Improve the quality of management in legal services organizations
- Promote and enhance the competence and professionalism of legal administrators and all members of the management team
- Represent professional legal management and managers to the legal community and to the community at large

The First State Chapter of the Association of Legal Administrators was chartered in 1979 and today has more than 50 members throughout Delaware. Our membership is comprised of large and small private law firms, as well as, Corporate and Governmental legal departments. The goal of the Association is to provide personal and professional growth and educational and networking opportunities to Administrators and Legal Managers.

The Chapter is pleased to announce the following officers for 2008-2009:
